Dear Sirs/Madame,

As you may already know, over the past few days Serbia has experienced a natural disaster of unprecedented scale caused by large amounts of rainfall that has led to flooding of almost the entire territory of the Republic of Serbia. As a result, the Government of the Republic of Serbia has declared a state of the emergency effective on the entire territory.

All available resources and institutions of the Republic of Serbia, along with a large number of volunteers, have been directed towards assisting people in the areas that have been most affected. Despite these measures, vulnerable areas are still lacking clothes, shoes, blankets and food, as well as equipment such as rescue boats, water pumps, electrical generators, tents, etc.

We are writing to you to ask for help at this difficult time for our nation. Any form of support, financial or material, is very welcome and we kindly ask, if your institution and its members can provide assistance, to inform us regarding the type of assistance through the e-mail address eo@pks.rs so that we can provide you with specific instructions.

Thank you in advance for your help,

Kind Regards,

Željko Sertić
President
