The company's Romanian subsidiary is searching for Hungarian producers, who are open to cooperation and willing to participate in supplier tenders.

Kingfisher Group wishes to establish relations with small- and medium sized companies operating in construction, plastic, timber and furniture industries, offering an opportunity to join its supply chain. The company is looking for partners with extensive export experience that have a yearly turnover of over 300 million forints.

Each company's representative will be given 30 minutes to conduct business negotiations with Kingsfisher. Hence, this event is catered for English speaking representatives, who deal with export activities.

The language of the conference is English. There will be no translating services offered at the venue.

Location: 1093 Budapest, Ipar street 5.
